1	Please understand that we're students who want to learn. You should make it very easy for us to ask questions. I am actually scared of asking a question in class, because I once did and I got mocked by the professor.
2	As an exchange student, the professor was very helpful.
3	All perfect.

| 1 | excellent professor. Great sense of humor But In the majority of classes, Dr. Ayman was respectful. however, some times he treated some students in a very mean way like shouting on them. This might impact the students and their critical thinking. |
| 2 | Full of negativity, no source of encouragement from his side |
