<b>Question:</b>	<b>Please provide your instructor with helpful suggestions for improving his/her effectiveness</b>
<b>Response Rate:</b>	<b>5.88%</b> (2 of 34)

<b>1</b>	the professor has his own style in bringing out the subject.. he is effective enough.. he was by far, my favorite professor, he has a very unique style in sending the message and he has a sense that makes all students Listen and Understand.. THANK YOU for TWO semesters!
<b>2</b>	Homework given for review should be checked in class...this is going to give an incentive to the students to actually do the homework.
